

Vendome Real Estate Media Becomes The Habitat Group.

Vendome Real Estate Media—publisher of highly respected resources such as *NYC Apartment Management Checklist*, *Fair Housing Coach*, *NY Apartment Law Insider*, *Commercial Lease Law Insider*, and more—is happy to announce its new home under the HABITAT brand.

Founded in 1982 by Carol J. Ott, Publisher and Editor-in-Chief, HABITAT is a unique hybrid of special-interest consumer and b-to-b trade publication--mixing vivid storytelling and service articles to cover issues of co-op / condo living and management concerns from the perspectives of board directors and property managers.

There will be no change to the exceptional content subscribers and customers have come to expect from our publications, but please note that the Vendome Real Estate Media name will be phasing out in the coming weeks and replaced with **The Habitat Group**. All newsletters previously published under Vendome will retain their individual brands:

- New York Apartment Law Insider
- Assisted Housing Management Insider
- Commercial Lease Law Insider
- Community Association Management Insider
- Commercial Tenant's Lease Insider
- Fair Housing Coach
- New York Landlord v. Tenant
